54 check-posts tracked through CCTV visuals

Mysuru, Apr. 28 (GA&BCT)- An integrated control room-like facility has been set up at the DC Office in the city that will help the District Election Officers monitor all the check-posts that are working round-the-clock.

The new integrated surveillance system is a much-needed facility for preventing the flow of cash, liquor and freebies and also to monitor the ground-level staff. With the Assembly elections scheduled on May 10, the facility will help enforce the existing Model Code of Conduct (MCC) by monitoring vehicle movement on key routes.

There are over 108 CCTV cameras installed at 54 check-posts and the visuals are transmitted to this monitoring centre where they are screened and entries made. Primarily, the monitoring centre supervises the functioning of the check-post staff including the officers, personnel and the security staff deployed there.

The monitoring centre functions in two shifts keeping an eye on vehicles entering and exiting the district and also the staff who are handling the movements.

The facility is manned by a team of officers to track movement of vehicle and people and also the functioning of the staff. Dedicated telephone lines have been set-up to attend to it and for alerting the nearest Police Station or flying squads of any suspicious movement.

EDITOR'S BOTTOMLINE

We have to surrender to time which is the best healer. We can relive any past days only in our memories. We have to bide time with fervour in order to put any setbacks behind us. We are keen that this concept of time move quickly when it concerns setbacks, sorrows and grievances; however, any happy moments we want it to last forever.

The clock as an instrument records time to help all humans to appreciate and abide in a single instance of truth when it concerns time. If not, we humans lie scattered all over with our tardiness; punctuality alien to most. With multiple time zones across continents and even in cases within the same country as USA, we can conclude that time is a comfort framework created by man to be aware of passage of time. In humans, mind is the instrument that measures the cycle of time between any two events. We are aware of meditation and other techniques that help the mind to settle down. When this mind is rested through such avenues the concept of time disappears.

There are siddhipurushas who have shared their meditation experiences and stated that they were not aware as to how time had lapsed. It is evident that time is a concept in our minds. Space exists too to lend support to time and vice versa but both — together and individually, can never support our True Existence. When time is objectised we can watch it as the clock ticks. But can we dig deeper to analyse who is witnessing this time? Only when we analyse the above query, we get better clarity in alignment with Bhagwan Ramana Maharshi's quote: "Time is only an idea. There is only the Reality. Whatever you think it is, it looks like that."

Lost dog reunited with owner after two years

Idaho: An man was reunited with his beloved dog two years after the canine went missing from Idaho thanks to a microchip implanted in the dog.

Idaho Falls Animal Control Officer Maja Rellaford said she was called out to a local woman's home when the resident reported a pug had wandered up to her front door.

Rellaford scanned the pug for a microchip and identified him as Sven, a 7-year-old pug belonging to Idaho Falls resident Michael Mitchell.

Mitchell said he was shocked to receive Rellaford's call, as Sven was missing for two years.

Rellaford said Sven and Mitchell seemed equally happy to be reunited. "You could tell the dog knew where he belonged," she said. Sven's whereabouts for the past two years remain unknown, but he was wearing a collar and had put on weight, leading Mitchell to believe someone was taking care of him.

Classical dance programmes at Ganabharathi on Apr. 30

Mysuru, Apr. 28- Naatya Sabha, Mysuru, will be presenting classical dance programmes 'Obeisance to Shiva' on Apr. 30 at 5.30 pm at Ganabharathi's Ramagovinda Kalavedike in Kuvempunagar.

Kislaya Anand

Kislaya Anand from Bengaluru will perform Kathak dance at 5.30 pm followed by a Bharathanatyam recital by team 'Kalarpanam' of Mysuru.

Kislaya Anand has been learning and performing under the guidance of his Guru Swapna Takavade from last several years.. He has been performing solo across the prestigious cultural festivals of Karnataka and all over the country. Kislaya holds a degree in Bachelor of Engineering in Computer Science

In the Vedic scriptures the word 'Shiva' appears to define noble characteristics of a person attributing benevolent qualities of compassion, graciousness, generosity etc. However, this concept is personified in religious texts and Shiva is worshipped as supreme god. He is the manifestation of creator and destroyer. Tales of Shiva - Shive are being brought out as thematic dance presentation 'Abhigamya Tatvam Prati',which depicts 'Obeisance to Shiva'. This concept was developed and choreographed by young dancers of the city — Apoorva G. Murthy, P. Shubhratha and R. Pavan Kumar — all of who have undergone extensive training under renowned gurus.

B.L. Santosh has dedicated himself to nation and BJP: Arun Singh

Mysuru, Apr. 28 (MTY&DM)- Accusing the Congress of making baseless allegations against the BJP in order to come to power in the State, BJP National General Secretary and Karnataka Party In-charge Arun Singh dismissed the Congress charges of 40 percent commission in contracts as a bundle of lies.

Addressing a press meet at the Party Office in Chamarajapuram here yesterday, Arun Singh, responding to former CM Jagadish Shettar's charges that top BJP leader B.L. Santosh was responsible for him (Shettar) not getting the BJP ticket from Hubli-Dharwad Central seat, said that Santosh was a totally committed and dedicated party leader and it is not correct for Shettar to blame Santosh for being denied the ticket.

"Shettar was denied the ticket in order to pave way for a new leadership in Hubballi. Shettar, who is a former BJP CM, has now left the party and joined the Congress only for the sake of power and he will soon repent for his action," he said adding that the BJP will defeat Shettar and Laxman Savadi who have left the BJP.

Maintaining that it is the BJP which has given social justice and reservation to oppressed section, Arun Singh alleged that the Congress has turned these sections into mere vote banks.

Asserting that there is no 4 percent reservation for Muslims anywhere in the country, Singh defended the Government's action on hiking reservation for Lingayats and Vokkaligas by striking down Muslim reservation.

Arun Singh *B.L. Santosh*

Charging the previous Siddharamaiah led Congress Government of doing nothing when Hindu activists were killed, he said the Siddharamaiah Government, instead of punishing the culprits, released PFI activists from jail.

Commenting on Priyanka Gandhi Vadra's poll campaign in the State, Arun Singh said Priyanka had campaigned in Uttar Pradesh too where the Congress could win only a single seat and her campaign in Karnataka will have little impact on the voters here.

Asserting that the BJP is getting a strong foothold in Old Mysuru region too, he expressed confidence that the BJP would win 150 seats in the State.

Stressing on the need for having a double engine Government in order to take forward the development works, he said the Modi and Bommai Governments will together take forward the State to greater heights if the BJP retains power with an absolute majority.

Noting that Karnataka is way ahead in sanitation and drinking water facilities, he said the BJP was always for development politics.

MLA S.A. Ramdas, State BJP Vice-President M. Rajendra, MPVL Chairman Raghu Kautilya, ZAK Chairman M. Shivakumar and leader H.G. Giridhar were present at the press meet.

Road show in Chamaraja segment

Mysuru, Apr. 28 (MK&DM)- BJP National General Secretary Arun Singh held a mega road show in Chamaraja Constituency on Thursday in support of the party candidate L.Nagendra.

The road show, which commenced from Prabha theatre in the heart of the city, passed through Mandi Mohalla's K.T. Street, Irwin Road, Nehru Circle (Head Post Office Junction), Ashoka road and Big Clock Tower before culminating at Gandhi Square. Arun Singh, who stood along with Chamaraja BJP candidate Nagendra and other BJP leaders atop an open vehicle, waved at the crowds all along the mega road show.

Addressing the crowds, Arun Singh said that the BJP was certain to retain power in the State. Accusing the Congress of making false promises, he cited the example of Rajasthan where the Congress is in power, of not fulfilling any of its poll promises. He appealed the electorate to vote for party candidate Nagendra in order to carry out the development works and to strengthen the hands of PM Modi. Police had made elaborate security arrangements.

MPVL Chairman Raghu Kautilya, ZAK Chairman M. Shivakumar, leaders Somashekar Raju, M.J. Kirankumar Gowda, Chowdappa, Prashanthgowda, Girish, Puneeth, Dinesh, Harish and others were present.

Fight over water to agri field

Man kills sis-in-law, her son

Pandavapura, Apr. 28- A fight over drawing water through a pump set to agricultural field resulted in a man hacking his sister-in-law and her son to death using a sickle at Heggadahalli village in Pandavapura taluk on Wednesday morning.

The deceased have been identified as Shanthamma (45), wife of Shankaregowda and her son Yashwanth (17). The accused is Satish, younger brother of Shankaregowda. Soon after committing the crime, Satish has surrendered to the Police.

Details: Shankaregowda and Satish are sons of Mayigowda of Heggadahalli village. Their agri fields are next to each other and both use the same water pump to draw water to their fields. This used to result in frequent fights between the two families, it is learnt. On Wednesday morning, Shanthamma went to the pump house and switched on the water pump to draw water to her agri field and Satish, who came to the spot, objected to it.

Soon, wordy duel ensued between them which went out of control and Satish, in a fit of rage assaulted Shanthamma with a sickle brutally. When Yashwanth came to his mother's rescue, Satish assaulted him with the sickle which resulted in both Shanthamma and Yashwanth being killed on the spot. Soon after committing the crime, Satish went to Melukote Police Station along with the sickle and has surrendered before the Police.

Melukote Police, who have registered a case, are investigating.

50 years on, Keshavananda Bharati Judgement reverberates again

Supreme Court of India

Nani Palkhivala

Parliament of India

By Ravi Joshi

Formerly in the Cabinet Secretariat

It was the summer of 1973, exactly 50 years to this week, and a historic legal battle was being fought in the Supreme Court. The case was known as the Keshavananda Bharati Vs State of Kerala. On 24th April, a 13-Judge Bench delivered the verdict, a landmark judgement in the history of Indian jurisprudence. The arguments ran for 68 days and one of the topmost legal luminaries, Nani Palkhiwala, argued for the Petitioners.

Ravi Joshi

I was in the final year of my MA in Political Science, in Manasagangothri and Prof. K.B.Y. Thotappa, who taught us Political Theory, would often walk into the classroom with '*The Hindu*' newspaper of the day and start reading out Palkhiwala's arguments. Then he would explain the principle behind it or the theoretical basis for his arguments. He showed us that what we were studying was actually being applied in settling major political issues of the day. He made the arguments in the Supreme Court come alive to us. Those were fascinating days.

BACKGROUND

The elections of March 1971 had given Indira Gandhi a landslide victory of 2/3rds majority in the Parliament. She had come to power on the slogan '*Garibi Hatao*', a socialist agenda and rightly thought the people have voted out the deadwood and were in favour of change. She, therefore decided to remove all obstacles in her path to change the policy direction of the State.

Four years earlier, the Supreme Court in the **Golaknath case,** in 1967 had questioned whether Fundamental Rights could be amended, particularly in relation to the Right to Property. The Court had declared **that Fundamental Rights cannot be subjected to the process of amendment provided in Article 368 and that if any such rights have to be amended a new Constituent Assembly must be convened.** Guided by this principle, in the years that followed, the Supreme Court struck down the **Bank Nationalisation Act of 1969** and the Presidential Order that aimed at the **abolition of Privy Purses,** two of the most publicised 'socialist measures' of Indira Gandhi.

Following these setbacks, Prime Minister Indira Gandhi got the Parliament to pass the **24th and 25th Constitutional Amendment Acts** in November 1971 to nullify the effects of these judgements. The 24th Amendment added new clauses to Articles 13 and 368 that provided full powers to the Parliament to amend or change any or all parts of the Constitution, while the 25th Amendment exempted any law giving effect to Article 39 (b) and (C) of Directive Principles of State Policy from 'judicial review' even if it violated the Fundamental Rights.

This was the politico-legal context for the 'battle royale' that was to follow in the all-important Keshavananda Bharati case, which was to determine the power of the Judiciary over the Parliament as the ultimate protector and defender of the Constitution.

Meanwhile, the Kerala government under Chief Minister C. Achuta Menon, a communist leader, enacted the Land Reforms Act of 1969 which put an end to the feudal system and ensured the rights of tenants on the land. Under this Act, the State government acquired the land belonging to the Edneer Mutt in the Kasargod district of Kerala.

Challenging the land acquisition, His Holiness Keshavananda Bharati, the head of the Mutt, filed a writ petition under Article 32 for the enforcement of rights under Article 25 (Right to practice and propagate religion), Article 26 (Right to manage religious affairs), Article 14 (Right to Equality), Article 19 (1)(f) (Freedom to acquire property) and Article 31 (Compulsory Acquisition of Property).

The **29th Amendment Act,** 1972, placed the Kerala Land Reforms Act 1963 in the **Ninth Schedule** of the Constitution, thus putting it beyond the purview of judicial review. So, the petitioners in the case **challenged the constitutional validity of the 24th, 25th and 29th Amendment Acts.**

THE JUDGEMENT

The Supreme Court by a wafer-thin majority of 7:6 held that the Parliament in the exercise of its constituent power **can amend any provision of the Constitution.** The court gave the following reasons:

- First, the power to amend the Constitution is located in Article 368.
- Second, **neither the Constitution nor an amendment of the Constitution can be or is law within the meaning of Article 13.**
- Third, an amendment to the Constitution is an exercise of the constituent power. The majority view in **Golaknath case** is, with respect, wrong.
- Fourth, there are **no implied and inherent limitations on the power of amendment.** Neither the Preamble nor Article 31(2) is at all a limitation on the power of amendment.

So, the Court held the 24th Amendment as valid. On the 25th Amendment, the Court upheld the first part but declared the negation of 'judicial review' as invalid. In other words, the laws enacted to give effect to the Directive Principles of State Policy are open to Judicial Review. It also held the 29th Amendment as valid but held that the laws included in the Ninth Schedule can be challenged in the court of law on the grounds that they abrogate the basic elements of the Constitutional structure.

On the question as to what extent the Constitution can be amended, the Court pronounced the **'Doctrine of Basic Structure.'** All amendments to the Constitution, in future, are subjected to the above doctrine. The origins of the 'basic structure doctrine' are found in the German Constitution, which after the Nazi regime was amended to protect some basic laws. Here is an illustrative, but not exhaustive, list of the basic structure of the Constitution:

- The Supremacy of the Constitution
- The Sovereignty of India

Subsequently, the Supreme Court has struck down a Constitutional amendment entirely just once — The **Constitution 99th Amendment Act, 2014,** which established the National Judicial Appointments Commission (NJAC), the body that would have been responsible for the appointment and transfer of Judges, replacing the current Collegium system citing the 'Basic Structure doctrine' relating to 'Free and Independent Judiciary'. Even after 50 years, the battle between the Parliament and Judiciary continues unabated.

Straighten and tar the smaller roads

Sir,

As the election is approaching we see the re-asphalting of major roads within the city being done in a hurry. But what about the innumerable smaller roads inside the layouts that come off the other side of the Ring Road ?

The terrible conditions of these roads inside the Bank Colony, Railway Colony, Bapuji Layout and many more layouts beyond are so miserable, one can't even walk on them.

We all are tax-payers. Let the authorities concerned do something about this. It should be noted that all these areas too come within Mysuru city limits. And we are also voters in the coming election!

Victory is ours: Three confident of becoming Chamaraja MLA

Mysuru, Apr. 28 (MTY&BS)- Three prominent parties in the Chamaraja Assembly Constituency have listed their own merits that they believe will bring them victory in the upcoming election on May 10.

During an interaction organised by the Mysuru District Journalists Association (MDJA) at Pathrakarthara Bhavan this morning, Congress candidate K. Harishgowda spoke first and predicted his victory based on the enormous development works undertaken in the Constituency during the tenure of Chief Minister Siddharamaiah between 2013 and 2018, at a cost of Rs. 1,800 crore.

According to Harishgowda, after the Maharajas of Mysore, it was only during the rule of the Siddharamaiah-led government that the Constituency underwent a sea change, becoming a landmark in the district. The Constituency has seen vast development in education, health, and other sectors.

Harishgowda claimed that his chances of victory are high and that's why the party has given him the ticket this time, based on a survey. He also recalled his previous stint with the JD(S) and the reasons that led to his ouster from the regional party before joining Congress at the initiation of Siddharamaiah.

Chamaraja Constituency JD-S candidate H.K. Ramesh, BJP candidate L. Nagendra and Congress candidate K. Harishgowda during an interaction with media at Pathrakarthara Bhavan this morning.

On the other hand, JD(S) candidate H.K. Ramesh is confident of winning due to the development works taken up during the two-term Chief Ministership of H. D. Kumaraswamy, albeit for a short period, by waiving farmers' loans and banning lotteries. Ramesh claimed that the people are yearning for a change this time.

Ramesh pointed out that of the total 19 Wards in the Chamaraja, 10 wards are held by JD(S) Corporators, making the Constituency a stronghold of the party. However, in the previous election, the party lost due to a rebel candidate in the fray. This time, there is no such hurdle.

Ramesh claimed that the Pancharatna Yojane of the party is yet another reason that creates a conducive atmosphere to win the elections. Ramesh alleged that the last-minute road asphalting works in the Constituency were of substandard quality.

Sitting MLA and BJP candidate L. Nagendra stated that he had ambitious plans to rebuild Devaraja Market and Lansdowne Building on heritage lines, after razing them, but could not do so. In the case of Devaraja Market, the tenants and vendors obtained a stay order from the Court, even though the Heritage Committee had recommended demolishing and rebuilding the market.

Besides, Nagendra also faced a hurdle in his efforts to allot housing units to roofless people, as he had to abide by a Court order to consider the applicants who had applied during the tenure of his predecessor, late H.S. Shankaralingegowda.

"In total, 3,500 housing units will be built on 28 acres of land, with 3,000 housing units on 23 acres of land identified at Hanchya and 500 houses on five acres at S. Uttanahalli. I have developed all the roads in the Constituency and improved the basic infrastructural facilities at hospitals," said Nagendra.

MDJA President S.T. Ravikumar and General Secretary M. Subramanya were present.

PM Modi visit: Avoid these routes in city on Apr. 30

As the road show is scheduled for 5.45 pm after the touchdown at 5.30 pm, the Police will impose traffic restrictions at the city centre from the Crawford Hall to the Gun House Circle and on the Raja Marga till the Millennium Circle (LIC Circle) hours before the road show and it is better to avoid even the roads around the route. After the road show, the PM will head towards the Mysore Airport via the Manipal Hospital Junction where he will take his special flight towards New Delhi after the two-day poll schedule.

One lakh people to watch Modi's 5-km road show

Mysuru, Apr. 28 (RK&BCT)- Over one lakh spectators will watch Prime Minister Narendra Modi's 5-km road show in Mysuru city on Apr. 30 and over 30,000 people will be assembled at Gun House Circle, the starting point, said Krishnaraja MLA S.A. Ramdas.

Addressing a press conference at BJP Media Centre in the city this morning, Ramdas, accompanied by MP Pratap Simha and former MUDA Chairman H.V. Rajeev said that the road show will be the first-of-its-kind in Mysuru and will be a grand affair. The PM will be in an open vehicle, they said.

"As of now, the PM will be alone in the open vehicle due to the massive scale of protection accorded to him but the SPG will take a final call on who will accompany the PM on the vehicle," Ramdas said.

The road show will begin at 5.45 pm and will end at Bannimantap Millennium Circle (LIC Circle) and the PM will be welcomed by over 1,000 traditionally dressed women

at a couple of places who will accord a 'Poorna Kumbha Swagata.' The location of welcome teams will be decided by the Police and the SPG, he added.

Seating arrangements will be made for the elders to watch the road show near the Mysore Palace, Chikka Gadiyara, Old RMC Circle and along the Dasara procession route gallery near Bamboo Bazaar. "More than 20 folk dance teams will perform at places along the road show route and a festival atmosphere will prevail," Ramdas added.

Somanna ahead, Ashok lags behind in high-voltage poll field

BJP satisfied with its plans to make it tough for Siddu in Varuna yielding results, which is not in the case of Shivakumar in Kanakapura

Bengaluru, Apr. 28 (KMS& BS)- BJP High Command's highly ambitious plan to restrict KPCC President D. K. Shivakumar to his stranglehold Kanakapura Constituency in this election, by making it a high-voltage battle with the fielding of BJP's R. Ashok against him in the election, seems to be going awry.

The BJP High Command has felt disillusioned with the way Ashok is slugging it out in the electoral battle, belying the expectations of the top brass, which was hoping for a 'big fight' between both the Vokkaliga leaders, with the only motive of reining in Shivakumar who has been leaving no chance to project himself as 'Chief Minister' candidate.

Similarly, another Lingayat leader of saffron party V. Somanna is pitted against Leader of the Opposition in Legislative Assembly Siddharamaiah in his stronghold Varuna Assembly Constituency in Mysuru, only to make it tough for the latter.

While announcing the candidatures of Ashok (contesting from both Padmanabha Nagar and Kanakapura) and Somanna (Varuna and Chamarajanagar), BJP National General Secretary and Karnataka In-charge Arun Singh was extremely confident of making the arch rivals-Shivakumar and Siddharamaiah sweat hard in their fiefdoms.

Two-weeks have elapsed since the candidates were announced, but it is only Somanna who has been effectively working at the ground level to

Somanna *Ashok*

woo voters much to the satisfaction of the party top brass, while Ashok is yet to meet their expectations, leaving them disappointed to an extent.

Siddharamaiah who had earlier sounded extremely confident of winning the elections, without hitting the campaign trail after filing his nomination, is now treading cautiously for the strong contender in Somanna and is making frequent visits to Varuna.

Somanna is confident of easily romping home with victory, if he wins over the confidence of voters belonging to Lingayat, Nayaka and other communities in the Constituency, that has total two lakh and odd electorates. He has been sweating hard day and night, turning it into a high-pitched battle in Varuna. BJP's intent to restrict Siddharamaiah to his fort has been realised to an extent, which is however not in the case of Ashok in Kanakapura. On the other hand, D.K. Shivakumar seems to be more happy than worrying about Ashok as an opponent and is going on a State tour with temple run, without even caring to visit the Constituency.

Meanwhile, brimming with confidence Usha Shivakumar who canvassed on behalf of her husband said "There is no need to seek votes in the Constituency, as the people will vote for their leader on their own," adding to the worries of BJP leaders.

Moreover, Ashok himself seems tired instead of making it difficult for Shivakumar, failing to instill fear in the latter. All the tactics of Ashok to attract voters too have failed to yield expected results. Ashok himself is said to have expressed his apprehension among his coterie over how voters are also afraid to express their support to BJP for the fear of Shivakumar.

BJP High Command's intention is not to wrest Kanakapura from Shivakumar, but to lay a foundation for the party in that Assembly segment where Shivakumar is winning elections after elections with ease. It is with the same intention, the party had earlier fielded senior leader K. S. Eshwarappa opposite H. D. Deve Gowda in Kanakapura Lok Sabha Constituency (that ceases to exist). Interestingly, Eshwarappa who also worked hard in the hustings, succeeded in polling over three lakh votes, capitalising on the efforts of party workers.

Going by this past experiment, BJP wants Ashok to poll at least 50,000 votes against Shivakumar in the Assembly elections. But going by the turn of events, it seems Ashok has accepted his defeat in the run up to election. Instead of clashing with the titan, Ashok himself looks to have fallen tired due to Shivakumar's knock in the electoral battle.

'Dalits, oppressed sections must stand with Siddu'

Former Minister Dr. H.C. Mahadevappa waves at the party workers in Varuna, along with** (from left) **MLC Dr. D. Thimmaiah, District Congress President Dr. B.J. Vijaykumar, MLA Dr. Yathindra Siddharamaiah and others.

Mysuru, Apr. 28 (MTY&DM)- Alleging that communal and fascist forces were grouping together to defeat senior Congress leader and former Chief Minister Siddharamaiah in Varuna Assembly segment, former Minister and T. Narasipur Congress candidate Dr. H.C. Mahadevappa said that dalits and all other oppressed sections should come together to thwart BJP's attempts.

He was addressing a public rally organised by Varuna Block Congress SC Wing at Varakodu village coming under Varuna Constituency yesterday.

Recalling the Chamundeshwari by-poll of 2006, Dr. Mahadevappa appealed dalit voters to stand unitedly behind Siddharamaiah.

Asserting that the May 10 Assembly polls is a question of survival of Democracy and the Constitution, Dr. Mahadevappa called upon party workers to shun whatever differences they have and work hard for the victory of Siddharamaiah. Charging BJP of suppressing dalit self-respect, Dr. Mahadevappa accused BJP of bringing false narratives and non issues to the fore ahead of the Assembly polls.

Alleging that the BJP was poisoning the minds of young dalits through false narratives, he urged the people to vote out the BJP Government which is mired in corruption and scandals.

Dr. Mahadevappa also lashed out at the JD(S) for fielding a dalit candidate in Varuna in order to divide dalit votes and thus indirectly help the BJP.

MLA Dr. Yathindra Siddharamaiah said that the BJP was dividing the society on caste, creed and communal lines. Charging the BJP of shaking the very foundation of reservation system which is as per the Constitution, he alleged that the BJP which is in a hurry to usher in 'Manuvaad,' was out to change the Constitution. MLC Dr. D. Thimmaiah and Dalit leader Bhugathagalli Mani too spoke.

Will bow to voters verdict: MLA Harshavardhan

Mysuru, Apr. 28 (BS)- Nanjangud BJP MLA B. Harshavardhan has said, "I am facing the election after releasing a white paper on development works of all villages in the Constituency. Eventually I will bow to voters verdict."

Speaking during his campaigning at Devarasanahalli, Hosur, Uppanahalli, Madralli and Gunathagala villages in Nanjangud taluk yesterday, Harshavardhan said "It's the dream of MP V. Sreenivasa Prasad (Nanjangud falls in Chamarajanagar Parliamentary Constituency limits that is currently represented by BJP's Sreenivasa Prasad) to develop Nanjangud as a satellite town and to realise the dream, people should bless me with victory again."

"Prime Minister Narendra Modi will be campaigning in Nanjangud on May 6 and former Chief Minister B.S. Yediyurappa too will address a public meeting in the town. I am extremely confident that the people won't leave me in the lurch for the extent of development works undertaken in the Constituency. Hence my victory is guaranteed," said Harshavardhan.

BJP Nanjangud Taluk President P. Mahesh, BJP State leader Subbanna, former ZP Member S.M. Kempanna, leaders Guruswamy, Mahadev, Suresh, Govardhan, Patel and other leaders were present at the campaign meeting.

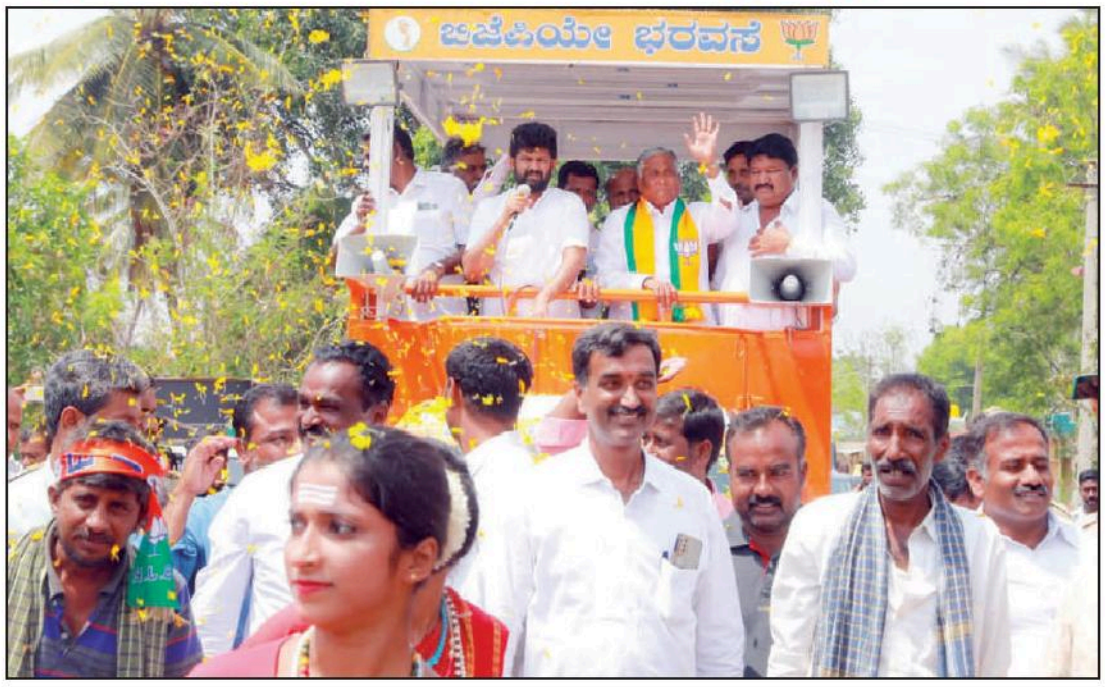
Somanna vows two-fold more progress in Varuna

MP Pratap Simha, others campaign for Somanna



Mysuru, Apr. 28 (BS)-Campaigning at Varuna Constituency in the district that has drawn the attention of many, is gaining momentum with every passing day, for the high-voltage electoral battle between Leader of the Opposition in Legislative Assembly Siddharamaiah and BJP's V. Somanna.

Somanna along with Mysuru-Kodagu MP Pratap Simha took out a road show at Mellahalli Gram Panchayat limits, yesterday and sought votes in view of the election on May 10.

Addressing the gathering, Somanna promised to develop Varuna Constituency further by introducing more programmes, double than whatever works were implemented here for the last 15 years. "I will complete all the works within five years and develop Varuna as a Model Constituency in the State," he said.

The Central Government, led by Prime Minister Narendra Modi is cruising ahead. During COVID-19 pandemic, when the whole world was hit, 132 crore people of the country were jabbed with COVID vaccine for free, besides supplying vaccine to other countries. The then Chief Minister of the State B.S. Yediyurappa too administered well, catering to the needs of the people. Similar is my aim and nature of development works, claimed Somanna.

Somanna also campaigned at Lakshmipura, Shivapura, Harohalli, Mellahalli, Badagalapura, Moodalapura, Chatnahalli, Palya Mahadevi Colony, Duddagere and several other villages.

Simha speaks

MP Pratap Simha said "Somanna is known as a champion of development and is evident with the development works implemented in Govindarajanagar Constituency (from where Somanna is the current MLA) in Bengaluru".

BJP worker injured

A BJP worker was injured when an altercation broke out during Somanna's campaign at Siddaramanahundi the native of Siddharamaiah, in Varuna Constituency last night.

The injured is identified as Nagesh of Keelanapura village, coming under Varuna and is admitted to a private hospital in Mysuru City for treatment.

Nagesh was on his way for campaigning in his car, when his vehicle met with a freak mishap involving the two-wheeler of Revanna of Siddaramanahundi. They picked up an argument and exchanged blows, when Nagesh was left injured in his arm.

Nagesh's father has lodged a complaint at Varuna Police Station and the Police are waiting for the permission of Court to register a case.

It's Siddu's last poll, ensure his victory: Dr. Yathindra tells voters

Mysuru, Apr. 28 (MTY&BS)-Varuna Congress MLA Dr. Yathindra Siddharamaiah has been playing emotional card, seeking the support of voters of Varuna Constituency to ensure the victory of his father Siddharamaiah by a huge margin in his last election.

Yathindra, who campaigned at Suttur, Geemaralli, Biligali, Alastrikatte Hundi and Bannahalli villages, in favour of Siddharamaiah (the current Badami MLA), who has been contesting the election again on Congress ticket from Varuna this time, said that "Siddharamaiah during his five years of successful tenure as Chief Minister gave many *Bhagyas* (welfare schemes) for the cause of poor, farmers and school children, thus safeguarding the interests of people of the State."

Siddharamaiah made efforts to build egalitarian society complying with the ethos of the Constitution by incorporating the principles of Buddha, Basavanna and Ambedkar. *Anna Bhagya* scheme was implemented to make Hunger-Free Karnataka. To address the scourge of malnutrition among school children *Ksheera Bhagya* scheme was implemented, followed by *Shaadi Bhagya, Shoe Bhagya, Mytri, Yashaswini* and *Krishi Bhagya* schemes, said Yathindra.

By implementing Special Component Plan (SCP) and Tribal Sub-plan (TSP), the roads and drains in Dalit and Nayaka community lanes were concreted. But the BJP which couldn't digest these development works, has been creating a communal feud among castes and religions and disturbing peace in the society. They are under the illusion that they can win the elections with the money plundered in the State. But people of the State are eager to them a lesson, said Yathindra making a fervent appeal to the voters to ensure victory for Siddharamaiah in his last election.

KPCC Secretary Gurupadaswamy, former ZP Presidents S.C. Basavaraju and B.M. Ramu, Siddharamaiah's Personal Secretary M. Ramaiah, former Taluk Panchayat President Manjula Manjunath, Block Congress President Rangaswamy, Gram Panchayat President Ambika Madappa, Somanna, Ravi, Patel Swamy and others were present.

Mysuru's Pranavi Urs selected for Asian Games Women's Golf team

Bengaluru, Apr. 28- Pranavi Urs of Mysuru is among the Karnataka golfers who have topped the Asian Games trials to make it to the Indian team.

Known for churning out promising golfers over the. past few decades, Karnataka stamped its authority in the sport once again yesterday when Pranavi Urs, Avani Prashanth and Khalin Joshi made it to the team.

In the battle of two State-mates, the rising stars — Mysuru's Pranavi and Bengaluru's Avani — finished with a similar three-day total of 10-under 206 to top the event at the Royal Calcutta Golf Club in Kolkata.

Pranavi, who ended 2022 as the No. 1 pro on the Indian tour, and Avani, India's No. 1 women's amateur, will join their more experienced State-mate, Aditi Ashok. India's highest-ranked women's professional, Aditi, qualified automatically to make it an all-Karnataka women's team to represent the country at the quadrennial event.

While 20-year-old Pranavi carded a 3-under 69 that had six birdies and three bogeys, 16-year-old Avani made five birdies, a double-bogey and one bogey for a 2-under 70.

"I had to pull out of the trials last year due to a shoulder injury," said Pranavi adding, "I'm glad I got a second chance. To make it to the Indian team comprising three Karnataka girls feels even better. Avani and I were focused on making this happen even before coming here."

There was more cheer for the State in the men's draw as Bengaluru golfer Khalin held his nerve to shoot a closing round 4-under 68 to book his place in the Indian squad.

Bengal's S.S.P Chawrasia, who played at the 2016 Rio Olympics, with a third-round score of 68 finished two shots behind to end as runner-up and seal the other available spot in the team.

Khalin and Chawrasia will join Anirban Lahiri, who calls Bengaluru his adopted home, and Chandigarh's Shubhankar Sharma — both getting a direct entry to the Indian side — in the men's squad.

For Pranavi and Avani, it will be their maiden experience of a multi-sporting event on the world stage. But the presence of LPGA Tour player and double-Olympian Aditi, who narrowly missed out on an Olympic medal in Tokyo, will make a formidable team of youngsters capable of finishing among the medallists.

Echo of Kochi incident where a mobile phone was thrown at PM

Iron mesh, barricades erected on Raja Marga

Mysuru, Apr. 28 (RK&BCT)- During Prime Minister Narendra Modi's recent road show in Kerala's Kochi, people showered flowers on him as he got off his armoured vehicle and thanked people for their adulation.

Among the flower petals, a foreign object was hurled towards the Prime Minister who was dressed in traditional Kerala attire. But the alert Special Protection Group (SPG) commando spotted it and using his quick reflexes, he was able to intercept the object before it reached the PM.

The object turned out to be a mobile phone and it was later revealed that the phone had slipped out of the hands of a person while trying to shower flower petals at the Prime Minister.

A Twitter user shared the video of the SPG official intercepting the mobile device as the PM walked down the street. This video has gone viral on social media, earning praise for the alert SPG Commando. Later, it was also learnt that another security guard gave the phone back to the owner.

To prevent such incidents amidst the crowds and entry of people to the road during the PM's road show in Mysuru on Apr. 30, the City Police, following instruction from the SPG, are erecting iron mesh above the heritage style stone pillars on Raja Marga, covering footpaths in front of the Mysuru City Corporation (MCC) main building, Banumaiah's College building and Lansdowne Building.

In addition, bamboo poles and barricades have been put up on footpaths near Gun House Circle, Basaveshwara Circle in front of Sanskrit Patashala, Chamaraja Double Road and other routes.

The iron mesh has been put on Raja Marga as the height of artistic balustrades is not enough to prevent the entry of people who might also throw flowers at the PM. Also, focus lights are being installed on tree tops all along the road show route. This is to increase visibility as the road show is being held by a VVIP.

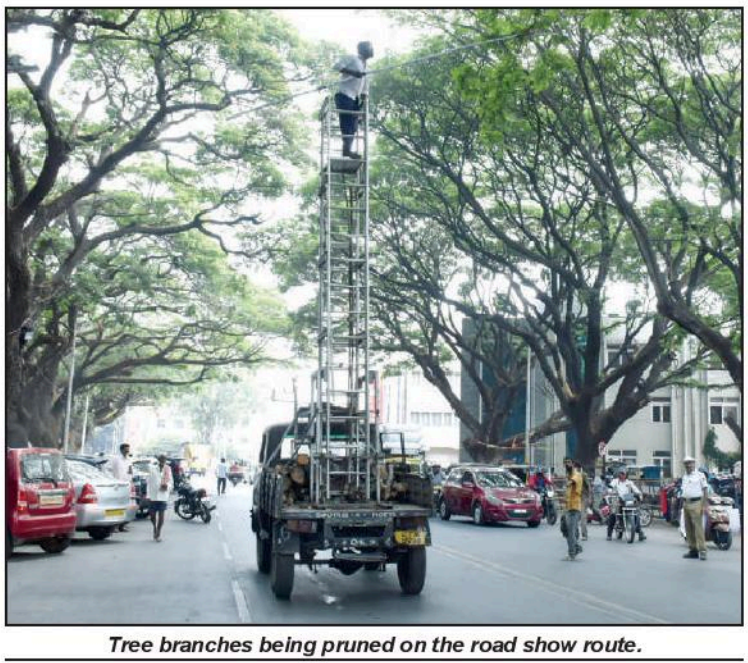
Apart from giving the spectators a clear view of the PM, the focus lights will also enable the SPG to keep a hawk-eye vigil on the perimeter.

Security beefed up; drills held ahead of Modi road show

SPG, Police, MCC carry out route reconnaissance, traffic/parking restriction plans, tree pruning

SPG and Police personnel deployed near the Oval Grounds where PM Modi's chopper is scheduled to land.

Focus lights being installed atop a tree on Raja Marga in city.



Tree branches being pruned on the road show route.

Mysuru, Apr. 28 (BCT)- With PM Narendra Modi set to hold a road show in his attempt to boost the prospects of BJP in the Assembly election, a multi-layer security cover has been put in place in city with hundreds of Policemen and SPG Commandos.

Policemen will be manning the security arrangements en route the road show and security personnel will be stationed on high-rise buildings on the route to spot any suspicious activities. Snipers will be deployed and anti-sabotage checks are being carried out on the route, which will be sanitised in the next two days.

Apart from preparing a helipad at the Oval Grounds and erecting barricades all along the road show route, the SPG personnel are teaming up with the city Police to ensure a secure environment. They have begun putting in place elaborate patrolling and traffic arrangements. All the security agencies are working in coordination, said Police sources.

The Police will soon issue a traffic advisory asking commuters to avoid certain roads which fall on or around the route of PM Modi's road show. As part of the security and preparation drill, the routes are being surveyed to identify vulnerable places where there is a need to station snipers.

As the road show route is full of high-rise buildings, old and dilapidated structures, the Police and the SPG are extra cautious and are chalking out elaborate plans to prevent sabotage.

As part of the sanitisation measures and steps to increase visibility, roadside trees are being pruned by the staff of the Mysuru City Corporation (MCC) and all the old branches are being cut. Also, branches that obstruct the view are also being pruned.

Budding painters show their talent at JSS Camp

Mysuru, Apr. 28 (MK&BS)- The 20-day painting camp, organised by JSS Mahavidyapeetha concluded successfully at Rajendra Bhavan, near JSS Hospital on M.G. Road in city recently.

In his address, B.A. Rajashekar, Director of School Education Division, JSS Mahavidyapeetha told the participants of the camp, "Painting leads to personality development of children, as the very form of art has its roots in apes (primitive man), for whom it was a medium of expression. The apes were earlier using natural colours and were drawing on rocks, as per available records."

The technology has made it possible to draw painting either on a sheet, wall, glass, tree or any other articles. The Digital Painting has thrown a challenge to creative world. In this situation, if children practice drawing, it will help in shaping their personality, said Rajashekar.

Senior artist Basavaraj Musavalagi said "Painting helps in the expansion of creativity, while the use of colours, lines and brush improves concentration. Children should practice whatever they learnt in the camp in their life, as the form of art could not be just a hobby, but also make way for livelihood. Nobody should forget that the paintings of reputed artists are sold for crores of rupees. Passion turns into profession and nurtures life.'

Drawing Teachers N.B. Palleda, P.S. Salabannanavar, Alla Sab Gadad, Venkataraju, Nagarajappa, B.M. Kerur and Nagendra were felicitated on the occasion.

Students who came out with best paintings — Monisha, Shrutakeerthi, Suchitra, Abhinand, Pranav, N.V. Harshini, B. Likitha, Harshita and Iva Leon — were given cash prizes.

WORD OF THE DAY

Teleological

Pronunciation: tel-ee-uh-LAH-jih-kul.
Meaning: Teleological (and its less common variant teleologic) is a philosophical term meaning "exhibiting or relating to purpose or design especially in nature."
Origin: Perhaps teleological was destined to serve a role in English. The word, along with its close relative teleology, comes to us by way of New Latin, from the Greek root telos, meaning "end or purpose." Both entered English in the 18th century, followed by teleologist in the 19th century. Teleology has the basic meaning of "the study of ends or purposes." A teleologist attempts to understand the purpose of something by looking at its results. A teleological philosopher might argue that we should judge whether an act is good or bad by seeing if it produces a good or bad result, and a teleological explanation of evolutionary changes claims that all such changes occur for a definite purpose.
Example: "Hegelianism—at least as Kierkegaard understood it ... —treated history as an intelligible process by which humanity progressed toward a state of spiritual freedom. ... To Kierkegaard, this sweeping teleological view left no room for human agency."

PHRASE OF THE DAY

Third time's a charm

Meaning: When you use the expression 'Third time's a charm' you mean that the third time something is attempted, luck is sure to result. The phrase is also used as an actual good luck charm that's spoken just before you try something for the third time.
Origin: The origin of the phrase 'Third time's a charm' is probably ancient, as things that come in sets of three have often been associated with good luck due to their similarity with the Holy Trinity of Christianity. The first time a similar phrase was seen in print was in 1839, in Elizabeth Barrett Browning's work Letters Addressed to R.H. Horne: "The luck of third adventure is proverbial."
Example: "I sure hope he doesn't strike out again." Answer: "Maybe he'll get lucky. After all, third time's a charm!"

QUOTE BOX

Charm is the ability to insult people without offending them; nerdiness the reverse.— **Nassim Nicholas Taleb**
